

Beyond UFCA

FAITH LIVED OUT...the lasting value of a Christ-centered Education

Voices of UFCA Graduates

"UFCA prepared me for college by encouraging me to always ask for help when needed. I've met people in college who won't go to their professors to ask for help; I'm confident approaching professors with questions. This skill and confidence has improved my college experience." Graduate 2011

"UFCA helped me grow spiritually in my walk with Christ most of all. I chose to go to UFCA my sophomore year because I knew I would be loved and treated as an individual by the teachers and administration. This partnership helped me succeed academically and spiritually." Graduate 2008

"UFCA prepared me for college; my transition was extremely smooth. Because UFCA taught me the habits needed for success in college, I have been able to maintain a 4.0." Graduate 2008

"UFCA strengthened my faith. I've encountered my fair share of obstacles since I've been in college, but thanks to the faith I found at UFCA, I've never felt alone." Graduate 2009

"I really enjoyed Senior Bible. Our teacher taught us to follow Christ and also how to defend our faith. Also, learning about other worldviews allows me to better understand our place in the world as Christians." Graduate 2010

"United Faith prepared me to be comfortable with my faith in college with my studies, activities and relationships. I stepped out into this world with confidence as a leader rather than a follower." Graduate 2009

"UFCA prepared me for college beyond academics. My experience prepared me for life situations and conflict. UFCA played a major role in shaping who I am today." Graduate 2009

"Attending UFCA taught me to appreciate the value of a close relationship with God, a great education, and a caring faculty and staff. The impact that has on a child's development is why I have placed all three of my children at UFCA!" Graduate 2002
