ABOUT OUR PROGRAM

The before and after school programs at United Faith are designed to meet the needs of working families with children enrolled in Transitional Kindergarten through 12th grade at UFCA. We seek to offer nurturing Christ-centered care for our students. Supervised care is conveniently located on campus.

The Falcon's Nest After School Program (TK - 5th) compliments, rather than duplicates, the school day by giving students the opportunity to relax and unwind while playing sports and games, building friendships, and working on homework assignments with assistance from our after school staff.

Making Friends
After School Program

After School Study Hall (6th-12th) offers students an opportunity to strengthen time management skills by providing dedicated time to address school work in a supervised setting. Students staying until 6:00 pm also have the opportunity for social interaction with peers.

PICK -UP

Falcon's Nest parents must come into the cafeteria or to the playground between 3:00 pm - 6:00 pm in order to sign their child(ren) out from the program each day.

After School Study Hall parents may text their child(ren) when they arrive on campus for pick up between the hours of 3:00 - 5:00 pm. After 5:00 pm, parents must come into the cafeteria to pick their child(ren) up in person.

Late Pick-up: A fee for late pick-up will be charged at \$5.00 per child for every five minutes past 6:00 pm. Excessive late pick-ups will result in a child being ineligible to remain in the program.
