

DRIVER AGREEMENT FORM **School Year 2017-18**

Thank you for volunteering to drive for a United Faith Christian Academy field trip or sporting event. In doing so you may also be needed as a chaperone and if so, will be responsible for monitoring several children. Please be aware of the following rules for field trips and sporting events:

1. No siblings or non-UFCA students are allowed on field trips. Siblings may attend sporting events with the permission of the Athletic Director.
2. Lower School students are not allowed to sit in the front seat of any vehicle.
3. Vehicles may stop only at the approved destination point (no side stops please).
4. All traffic laws must be obeyed (including speed limits). Each child must wear a separate seat belt (no double buckling). Kids eight and under and weighing less than 80 pounds must ride in a car seat or booster. Depending on which comes first, kids can upgrade to a seat belt once they turn eight or top 80 pounds. Car seats must be fastened in a rear seat if your child is under five, weighs less than 40 pounds, and if your car contains passenger-side airbags. You can bypass this requirement if our child's safety seat is airbag-compatible.
5. Only Christian or classical music and/or G-rated videos may be played in the vehicle (no talk radio or secular music).
6. A Field Trip Parent Permission Form for each child must be in your possession when the child is in your vehicle.
