M. CLOSING STATEMENT44

The members of the board of trustees, the faculty and the student body represent various denominations and practices. The school is not under the direction, influence or support of any particular church. United Faith Christian Academy is dedicated to and operates according to our core statements:

A. CORE STATEMENTS

1. *Mission*

United Faith Christian Academy is committed to impact the world for Christ by developing and educating hearts, souls, minds and bodies through the passionate teaching of a Christ-centered curriculum in a Christ-centered environment.

2. *Vision*

We are a Christ-centered, TK-12, academically rigorous, college preparatory school. We offer small classes, a caring faculty, and a curriculum that is presented from a biblical worldview.

Our curriculum is designed to provide a whole education to develop the heart, mind, body, and soul of every student through excellence in academics, athletics, fine arts, and spiritual development.

3. *Statement of Faith*

- a. We believe that there is one God eternally existing in three persons: the Father, the Son, and the Holy Spirit.
- b. We believe that the Bible is God's written revelation to man and that it is verbally inspired, authoritative, and without error in the original manuscripts.
- c. We believe in the deity of Jesus Christ, His virgin birth, sinless life, miracles, death on the cross to provide for our redemption, bodily resurrection and ascension into heaven, present ministry of intercession for us, and His return to earth in power and glory.
- d. We believe in the personality and deity of the Holy Spirit – that He performs the miracle of the new birth in an unbeliever and indwells believers, enabling them to live a godly life.
- e. We believe that man was created in the image of God, but because of sin was alienated from God. That alienation can be removed only by accepting, through faith alone, God's gift of salvation which was made possible by Christ's death.

4. *Code of Conduct*

- a. Act with Integrity: Do the right thing even when no one is looking. (Matthew 5:17-19)
- b. Treat others according to the Golden Rule:

Do to others whatever you would want them to do to you. (Matthew 7:12)
- c. Resolve conflict in a Christ-honoring manner. (Matthew 18:15-17, 1 Peter 3:9)
- d. Seek to be a blessing. (1 Peter 3:8, Matthew 22:37-40, Matthew 28:19)

e. Live in a way that you will not cause another believer to stumble and fall. (Romans 14:13)

5. Values

Serve. Lead. Succeed.

6. Position Statements

a. Diversity

United Faith Christian Academy places a high priority on attracting students from around the world to our school. The cultural exposure, as well as the global perspective these students bring to our campus is invaluable. Our Charlottean students sit in classes next to students that have been from Russia, Sudan, Nigeria, Colombia, Korea, China and Serbia to name a few of the countries represented on our campus. Our students graduate with the advantage of having experienced a global perspective which will best prepare them for the world in which they will live, work, and serve.

United Faith Christian Academy admits students without regard for race, color, ethnic, or national origin and entitles all students to the rights, privileges, programs, and activities made available to students at the school. Students are admitted, however, based on their desire for a Christ-centered education and with the understanding that all Christian Standards of the school be upheld. Students are expected to sign a code of conduct at the beginning of the year and to abide by all of the criteria therein.

b. Marriage and Sexual Moral Conduct

We believe that man, male and female, was created in the image of God, but fell into sin through the disobedience of Adam and Eve. As a result of the fall, all people are born sinful and in need of salvation.

Our Core Statements promote a lifestyle based on traditional biblical standards of moral conduct. As an organization, we believe that biblical marriage is a union, limited to a covenant relationship between one man and one woman (Gen. 2:22-24; Prov. 18:22; Matt. 19:4-6; I Cor. 7:1-16; Eph. 5:21-33; Hebrews 13:4). We believe that marriage between one man and one woman for life uniquely reflects Christ's relationship with His Church. We believe that marriage also serves as the foundational unit of a stable society, as it provides the best opportunity that children will grow up in the same home with both their mother and father. Among many other biblically negative cultural developments over the last several decades, the general acceptance of lifestyles and sexual conduct outside of what is outlined in the Bible, is in direct opposition to this timeless and universal institution.

It is the goal of United Faith Christian Academy that each student, employee, board member, parent and volunteer models a lifestyle that is a biblical standard of purity in which "He (Jesus Christ) might have the pre-eminence" (Colossians 1:18ASV). The biblical standard of purity will be in accordance with God's original design, which is one

male and one female united in marriage. Any sexual orientation other than heterosexual would be in violation of the unique roles of male and female (Romans 1:21 – 27, 1 Corinthians 6:9 – 20).

Sexual intimacy is a gift from God and has its proper place only within the context of marriage between a man and a woman. UFCA supports the principle and practice of purity in singleness and fidelity in marriage, which is the union of one man and one woman.

In addition, UFCA recognizes that the gift of gender is part of the goodness of God's creation and is predetermined by God and revealed at conception. We believe that God wonderfully and immutably creates each person as male or female, and that these two distinct, complementary genders together reflect the image and nature of God. (Gen 1:26 – 27) According to God's original design, we embrace the uniqueness of the male and female genders.

c. The Sanctity of Human Life

We believe that all human life is sacred and created by God in His image. Human life is of inestimable worth in all its dimensions, including pre-born babies, the aged, the physically or mentally challenged, and every other stage or condition from conception through natural death. We are therefore called to defend, protect, and value all human life. (Ps 139.)

d. Final Authority for Matters of Belief and Conduct

The United Faith Christian Academy core statements do not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of UFCA's faith, doctrine, practice, policy, and discipline, the leadership of the school looks to the Bible as the standard for all faith and practices.

UFCA desires that the personal behavior of all students, staff, parents, administration and all affiliates of UFCA reflect a Biblical lifestyle as outlined in these core statements. In so doing, we reflect Christ, speaking, living, and walking in a manner that is pleasing to Him.

B. ACCREDITATION AND MEMBERSHIPS

1. Accreditation

AdvancED – formerly the Southern Association of Colleges (SACS)

Association of Christian Teachers and Schools (ACTS)

2. Memberships

Greater Charlotte Association of Christian Schools (GCACS)

C. NON-DISCRIMINATION POLICY

United Faith Christian Academy hires without regard for race, color, ethnic or national origin and entitles all employees to the rights and privileges, programs and activities made available to employees at the school. Employees are hired, however, based on their desire to work in a Christ-centered educational setting and with the understanding that all Christian Standards of the school be upheld. Employees are expected to sign a code of conduct at the beginning of the year and to abide by all of the criteria therein.

D. ACADEMICS

1. *Advanced Placement Courses*

Advanced Placement courses allow a student to compete on the 5.0 scale. Most colleges grant college credit with a grade of 3 or better on the AP exam. The cost for this mandatory exam is the responsibility of the student and must be paid before the exam is taken.

2. *Biblical Integration*

United Faith Christian Academy will minister to and educate students in a way that develops their minds, bodies, and spirits through programs in academics, athletics, fine arts, and spiritual development. Each class and course will be taught through a biblical worldview by a professional Christian educator.

3. *Chapel*

UFCA provides regular chapel experiences as well as other opportunities for service and spiritual development. These weekly services set the spiritual tone for our students and faculty. They provide inspiration, a time for corporate worship, and ministry opportunities for students and staff.

4. *Class Field Trips*

As part of our academic program, United Faith provides opportunities for academically relevant on and off campus field trips for the enrichment of the learning environment for our student body. Parents will receive field trip information packets that provide details regarding the specifics of each trip, including relevance, cost (if any), attire, expectations, etc. Field trips require parental/guardian permission and may require parental chaperone/drivers as determined by school Administration. Any parents attending field trips will also follow the guidelines for appropriate attire, behavior, etc. as noted in the field trip form.

5. *Conferences*

At the end of the first quarter, time is set aside for parents of all Lower School students to participate in a parent-teacher conference. One parent of each student is expected to attend. Upper School conferences may be scheduled by either the parent or the teacher. Additional Lower School or Upper School parent-teacher conferences may be scheduled at any time by either the parent(s) or teacher to discuss the progress of a student. All conferences should be arranged through the classroom teacher.

6. Course Failure and Grade Recovery Requirements

Our expectation is that all students will be successful and that subject failure is a rare occasion. Students in TK – 1 who are not meeting exit level expectations or students in grades 2 – 12 who fail a course will be expected to follow these guidelines:

a. Lower School

TK – 1 students who do not meet grade level exit expectations will be considered for retention. In grades 2 – 5, a student who fails a core subject must complete an individual plan for grade recovery. A student in grades 2 – 5 who fails two or more core subjects may be recommended for retention. In all of these cases, a meeting including parents and school administrator will be required.

b. Middle School

A student who fails a core subject must attend and pass an UFCA approved summer school course. Notification to the Guidance Office of enrollment in an approved summer school program is required. Parents need to submit documentation upon completion of the summer school program for transcript correction. Students who fail more than one core course will be considered for retention.

c. High School

For a student to receive credit for a failed course, he/she must attend and pass an UFCA approved summer school course. This must be completed in the summer following the failed course. A list of approved summer school providers is available through the Guidance Office. Only two courses may be made up during summer school. Parents must submit a summer school remediation plan in writing to the Guidance Office for approval prior to enrollment in the class and parents must submit documentation to the Guidance Office upon completion of the summer school program for transcript correction.

7. Curriculum/Courses

United Faith Christian Academy is a Christ-centered college prep Preschool to Grade 12 school. The Academy uses a blend of curricular sources and maintains a biblical worldview approach to teaching. This selective approach allows the Academy to meet a variety of student needs and prepare them with all the knowledge necessary to defend their faith and be fully prepared for the pursuit of higher education.

Up to date curriculum specifics can be obtained through the Dean of Academics office.

8. Drop/Add Policy (Grades 9 – 12)

To drop or add a course, a student must get the approval of one parent/guardian, the Teachers, the Guidance Counselor, and the Dean of Academics or Head of School. A schedule change request form from the Guidance Counselor must be completed.

The drop/add date is ten school days from the beginning of the semester.

9. Evaluation/Reporting

Report cards are published via Sycamore at the end of each quarterly grading period. At the end of the school year, the final report card will indicate the year's average for every full year course. The final report card is published via Sycamore provided there are no outstanding account balances, outstanding books (text or library), or outstanding athletic uniforms.

Progress reports are posted online at mid-quarter. TK and K reports are sent home at mid-quarter. Academic grades may be seen at any time by using ones online account (if tuition account is current). Parents and students are encouraged to check grades on a regular basis.

10. Exams

All students in 8th – 12th grades will take an end of semester exam in all core subjects. Students in 6th grade will take Math and English semester exams. Students in 7th grade will take Math, English, and Social Studies exams first semester and Math, English and Science exams second semester. Non-core classes may have a semester exam as approved by the Head of School.

- a. Exams account for 10% of the semester grade for grades 6th – 8th.
- b. Exams account for 20% of the semester grade for grades 9th – 12th.
- c. The final grade will be an average of first and second semester grades.

- c. No more than 3 unexcused tardies for the second semester.
- d. No discipline referrals.

Attendance in Saturday School will erase unexcused absences/tardies from attendance records but will not be used to make seniors eligible for exemption from exams.

12. Graduation Requirements

A minimum of 24 credits (plus Bible for each year of attendance at UFCA) is required for students to graduate from United Faith Christian Academy.

However, he/she will not receive a diploma until an UFCA approved recovery class has been successfully completed. A student who fails more than one class his/her senior year will not participate in graduation.

13. Homework

Homework serves two purposes: 1) it reinforces, and 2) it allows enrichment and creativity. Teachers will attempt to assign a reasonable amount of homework in light of the subject matter and the abilities and needs of the students. To aid in the development of personal discipline and responsibility, we urge that each parent/student plan out-of-school activities wisely so that adequate time is provided for homework.

6. Tights with feet may be worn. Students may not wear Leggings, Lycra, or spandex fabric (including “jeggings”).

b. Gentlemen

1. Polo shirt or Dress shirt (ties and jackets are optional)
2. Dress pants, belt
3. Dress shoes (no tennis shoes)

7. Outerwear

Jackets and sweatshirts worn in the school must be purchased through the UFCA Wear website and have a UFCA logo. All other outerwear must be left in the student’s locker during the academic day (from time of arrival to 3:00 p.m.).

8. PE Uniforms for Ladies and Gentlemen

PE uniforms are required for **all students 5th-12th grade** taking PE or a fitness elective. PE uniforms will be purchased through the Athletic Department. These uniforms will be available for purchase at Orientation Night in August.

F. ATHLETICS – PHILOSOPHY AND GUIDELINES

Athletics at United Faith Christian Academy is an extension of our academic program and should support the development of a student’s mind, body, and spirit, in combination with our academic, fine arts and spiritual life programs. All athletic programs should strive to maximize learning and reflect Christ.

1. Purpose of Falcon Athletics

- a. Exalt Jesus Christ through the medium of athletic competition.
- b. Promote unity by putting Christ at the center of all things.
- c. Promote athletic excellence in all areas, from organization to participation.
- d. Promote spiritual growth through fellowship.
- e. Provide a regulated atmosphere where students have the opportunity to engage in athletic events and enjoy Christian fellowship.

- f. Provide a positive testimony in all aspects of these programs from the coaches, athletes, and fans.
- g. Use athletics to teach Christian principles that may be used not only on the athletics courts and fields but also in all aspects of life.

2. Sportsmanship

The ideals of good sportsmanship, ethical behavior and integrity should permeate all interscholastic athletics in our school. In perception and practice, good sportsmanship shall be defined as those qualities of behavior which are characterized by Christian character and a genuine concern for others. Athletes not displaying Christ-like behavior and/or good sportsmanship may lose athletic privileges and/or incur discipline at the discretion of the Athletic Director and UFCA Administration. Coaches not displaying Christ-like behavior and/or good sportsmanship will meet with the Athletic Director and appropriate action will be taken. Our athletic fields should be the laboratory to produce good citizens reflecting “fair play” in every area of life and a testimony that is uncompromisingly Christian.

3. Athletic Department Structure

Head coaches, and their respective assistant coaches, serve as the first and primary point of contact for athletes and their parents. Athletes and their parents should direct any concerns first to the coaching staff. Parents are advised to wait at least 24 hours before expressing any concerns to the coaching staff, especially if the concern involves an athletic contest. Then, if any concern is not addressed by the coaching staff, the concern may be directed to the Athletic Director by phone call, email, or by appointment. Lastly, if the Athletic Director is unable to address the concern, it will be elevated to the Head of School.

4. Athletic Events – Entrance Fee

- a. **Booster Club Members:** The Booster Club Officers are currently reviewing the membership levels and will communicate several new programs that will hopefully encourage UFCA family and friends to become a Booster Club Member in the near future.
- b. **UFCA Faculty and Staff:** All current full and part-time UFCA faculty and staff are admitted into home athletic events at no charge (exception: conference/state tournament games). Also included are the spouse and immediate family living in the home (married children, aunts, uncles, cousins, grandparents, godparents, and longtime friends are not covered under the Faculty/Staff pass).
- c. **Alumni and UFCA Students:** Alumni and UFCA students are welcome and admitted at no charge.
- d. **Special Guests:** The opposing team’s Athletic Director, the participating team members, trainers, and their coaches are admitted at no charge.

5. Eligibility

a. Academic Eligibility

Playing any athletic sport at UFCA is a privilege and not a right. It is our belief that a student athlete must earn and maintain this privilege in order for him/her to participate on a UFCA athletic team. The academic eligibility policy is intended to serve as a motivation for student athletes to earn the very best grades they are capable of rather than a punishment

for poor grades. A student athlete's eligibility shall be based on his/her most recent report card, progress report (or communication report for reinstatement only).

High School

Athletes must receive less than two D's or one F at the time of progress report/report card distribution to remain eligible to participate in athletics. Athletes who fall academically ineligible will be suspended from playing the sport for a two week period. Students are expected to still take part in practice during the two week suspension. Grades will be checked at the end of the two week period and should eligibility be regained, students may return to the team at the conclusion of the two week period.

Middle School

Athletes must maintain a 66% numeric grade or higher at the time of progress report/report card distribution in order to be eligible to participate in athletics. Athletes who fall academically ineligible will be suspended from playing the sport for a two week period. Students are expected to still take part in practice during the two week suspension. Grades will be checked at the end of the two week period and should eligibility be regained, students may return to the team at the conclusion of the two week period.

The Athletic Director and school administration maintain the right to suspend or remove an athlete from the team, if necessary.

Out of School Suspension

Students who are serving an out of school suspension are ineligible for athletic participation on the day(s) of suspension including practices and/or games.

b. Behavioral Eligibility

It is expected that student athletes will maintain a good standard of behavior wherever they are. Student athletes need to remember that they are representatives of their team, their school, and most importantly, Christ.

Student athletes must arrive by 10:00 a.m. in order to play in a scheduled game that day. Any exception must be appealed through the Athletic Director. A signed doctor or dentist excuse will be accepted as long as they are not hand written by a parent. Notes from home and phone calls will not be accepted. Any athlete who misses part of the school day due to illness will not be allowed to attend the game or practice.

Athletes who arrive at school after 10:00 a.m. without approved excuse note, are expected to attend all scheduled team activities and to dress accordingly but will not be allowed to participate in games.

Student athletes who are under disciplinary actions (in-school suspension, out-of-school suspension, or expulsion) are ineligible for all athletic participation.

Student athletes who fail to obey team rules are also subject to being declared ineligible for one or more games, depending on the seriousness of the violation. If any team rule

violations are serious enough, the coach has the option of recommending that the player be removed from the team.

6. *Equipment and Uniforms*

Each team's head coach, with direct guidance from the Athletic Director, will issue each uniform. Players must have a Uniform Agreement Form signed by one of their parents and returned to the Athletic Director prior to receiving a uniform.

The student athlete's parents must pay for each uniform not returned by the deadline given at the end of a season or for each damaged uniform. Report cards are held until all outstanding athletic fees are paid in full.

During the course of the school year, and with the approval of the Athletic Director, the team, coaches, and parents may decide to purchase new team uniforms that the student athletes purchase and are allowed to keep at the end of the season. In many cases, this allows for the uniform to be used again the following year(s).

7. *Facilities Usage*

a. *Fitness Center Use*

The Fitness Center will be used as a home locker room on the days when home basketball or volleyball games are scheduled. The Fitness Center is to be left clean and in order after the conclusion of the home contest. It is not the responsibility of the Academy custodian (or any school staff) to do so. Any individual or team not leaving the room in good condition may lose the use of the room altogether.

b. *Gym Use*

Our gym, which includes the Fitness Center room and locker rooms is to be treated respectfully at all times. In general, athletes and **ALL** students are expected to leave the gym and Fitness Center clean, with balls or equipment properly stored.

All coaches, teachers, activity leaders, or persons in charge are responsible to see that the following policies are observed by all when using the athletic areas of our school:

1. The entire gym floor is to be cleaned after each activity including games and practice and debris put into a trash can.
2. Balls and PE or athletic equipment are never to be removed from any storage closet without permission from the Athletic Director, a PE teacher, UFCA employee, or UFCA approved volunteer supervising activities in the gym.
3. Balls or equipment removed from any storage closet are to be returned at the end of each activity and the storage closet kept locked.
4. An UFCA employee must supervise students/student athletes in the gym at all times. All tables, stage props, cafeteria, or kitchen items are never to be left in the gym.
5. No tables, props, or other items are to be propped up against the gym walls or the bleachers after use.
6. All sports and cleaning equipment is to be stored properly after each use.
7. Gym doors should not be propped open during gym use at any time.

8. During home athletic contests held in the gym, no re-entry from doors marked for exit is allowed for any reason. Violations may result in being asked to leave the contest.
9. Any group or individual not observing these policies may be denied use of the athletic areas.

8. *No Quit Policy*

As a general rule, we expect student athletes to remain on a team once they have tried out and made the team. If a trend of quitting occurs, the student athlete will lose the privilege of participating in athletics for a twelve-month period. Special circumstances can be appealed to the Athletic Director.

9. *Participation Fee for Athletics*

There is a \$100/child/sport athletic participation fee that is communicated to parents at the Parent Meeting at the beginning of each season. This fee is capped at \$200/child for those who play multiple sports.

10. *Physical Forms and Injuries*

No student will be allowed to try out without a physical form, completed by a licensed doctor or physician's assistant, on file in the athletic office a minimum of 3 days before tryouts. A doctor's decision to have an athlete sit out a game or practice will always be honored by the athletic staff.

If an athlete desires to try out for a team but has a prior existing injury or illness on the first day of practice (tryouts), the athlete must be cleared by a doctor and a written notice showing as such provided to the Athletic Director no more than one week after the first day of practice. If the athlete will not be cleared within one week of the first day of practice, the athlete will not be allowed to participate that season. An exception may be granted if a written appeal noting the circumstances is submitted to and approved by the Athletic Director.

11. *Practices and Games*

Players, coaches, and parents should be aware of the rules and regulations of the NCISAA (North Carolina Independent Schools Athletic Association) in reference to practices and games. An internet version of the state handbook can be found at: www.ncisaa.org.

The coach has the authority to close any UFCA practice to parents and students. Children who may be waiting for a ride from a sibling who has not finished his/her practice will not be allowed to wait in the gym or any other area except after school study hall or Falcon's nest. Parents must provide other arrangements if they do not desire for their child to go to study hall or Falcon's nest.

Players must not loiter on campus after games and practices. The coach will stay until each athlete has left the practice or game facility.

12. *Sports Grade Levels*

Varsity: Grades 9th – 12th *

Junior Varsity: Grades 7th – 10th

Middle School: Grades 5th – 8th

13. *Transportation*

The coach, with assistance from the Athletic Director or Booster Club, may arrange transportation for players to some games. Players and parents are responsible for all rides to and from practice. Student athletes may drive to practice with written permission from parents on file with the Athletic Director. Student athletes may ride to or from practice or a competition with another student **only** if written parental permission is on file with the Athletic Director. If the coach is unaware of such permission, the player must ride with a coach or parent. Players may ride with their own parents at any time.

14. *Try Outs*

Every potential student athlete must attend the scheduled tryouts. Tryouts are mandatory. It is the student's responsibility to know and understand that the only communication they will receive concerning tryouts will be through school announcements or postings by the coaches and/or Athletic Director.

Prior obligations or commitments during scheduled tryouts will be taken into consideration; however, those who do not attend all scheduled tryouts risk not making the team due to absence.

Our goal is to stress "commitment" and "responsibility" to each other. This cannot be achieved without total cooperation with regard to attendance of tryouts and practices. Coaches have the option of dropping a player from a team or squad because of excessive tardiness or absences.

G. ATTENDANCE

The entire process of education requires a regular continuity of instruction, classroom participation, learning experiences, and study to achieve the goal of maximum educational benefit for each child. Essential to this process is the regular contact of students with one another in an appropriate learning environment and their participation in planned instructional activities under the leadership of a teacher.

1. *Absences*

In specifying the maximum number of absences a student may have and still receive academic credit, United Faith Christian Academy has determined:

- a. The maximum potential benefit of schooling is available to the student with no absences.
- b. Once a student has accrued excessive absences, he/she will not attain the minimum educational benefit available and, therefore, will not earn academic credit.
- c. Absences are documented by $\frac{1}{4}$, $\frac{1}{2}$, $\frac{3}{4}$, or full-day.

2. *Absences/Tardies– Definitions and Procedures*

- a. Attendance is reported on each student's report card as issued at the end of each marking period. It is the parent's responsibility to monitor his/her child's attendance via Sycamore and his/her child's report cards.
- b. Any absence, for whatever reason, shall be charged against the student's record, except when a student participates in an approved school activity requiring his/her presence.
- c. Excused (Lawful) Absences:

1. **Illness or Injury:** When the absence results from illness or injury which prevents the student from being physically able to attend school or a chronic medical condition exists that has been verified by a physician.
2. **Quarantine:** When isolation of the student is ordered by the local health officer or by the State Board of Health.
3. **Death in the Immediate Family:** When the absence results from the death of a member of the immediate family of the student. For the purpose of this regulation, the immediate family of a student includes, but is not necessarily limited to, grandparents, parents, brothers, and sisters.
4. **Medical or Dental Appointments:** When the absence results from a medical or dental appointment of a student. A doctor's note must be turned into the Academy Office upon the student's return.
5. **Court or Administrative Proceedings:** When the absence results from the attendance of a student at the proceedings of a court.
6. **Religious Observance:** School principals are required to authorize a minimum of 2 excused absences each academic year for religious observances required by faith of a student or a student's parents.
7. **Educational Opportunity:** When it is demonstrated that the purpose of the absence is to take advantage of a valid education opportunity. Approval for such an absence must be granted prior to the absence.
Up to 4 days per year will be approved for Juniors and Seniors for college visits (college verification is required).
8. **Absence related to the visitation of a parent or legal guardian who is a member of the military and is awaiting imminent deployment or has just returned from deployment.**
9. **One Pre Approved Family trip per year (up to 5 days).** An approval form must be initialed by teachers and a copy submitted to the Academy Office.
10. **Days allowed after an absence to bring in documents to "excuse" the absence:**
Students / parents will only be allowed 3 days to provide a letter excusing an absence after the date the said student missed school.

If no note is submitted within the 3 DAY period, that absence is now UNEXCUSED

d. **Unexcused Absences**

A student's willful absence from school with or without the knowledge of the parent.

1. A student's absence from school for any reason other than those listed under "Lawful Absences."
2. When students are not permitted to attend school because they lack proper immunization.
3. Total number of unexcused absences allowed:
10 total (every 3 tardies = 1 absence)
After 5 absences (combined tardies and /or unexcused absences) = "Saturday School" Assignment
4. Any student with 10 or more unexcused absences in a school year will be ineligible to receive credit for those courses.
5. Consequence when a student reaches 10 unexcused absences:
Student will be assigned "Saturday School."
Saturday School hours are from 8:00 a.m. – 12:00 p.m.

Saturday School will be offered 2 Saturdays per month.

Students will work on class work/assignments the entire time.

For every 2 hours that student attends “Saturday Class” he/she will receive credit back on absences.

- Ex. A student records 11 absences and is assigned to Saturday class. He may come from 8:00 a.m. – 10:00a.m. and works diligently on his assignment. At the conclusion of the Saturday class, he receives 1 day credited back on his absences. Therefore, he now has only 10 absences, and is under the threshold.

e. Tardies

Homeroom begins promptly at 8:00 a.m. Students who are not in their homeroom classroom by 8:00 should report to the Academy Office. They will receive a tardy for the day.

After the 15 unexcused tardies, the student will be assigned “Saturday School.”

Every 2 hours of Saturday School will reset 1 unexcused absence to excused for the purposes of attendance (but not for purposes of Senior Exam Exemptions).

Every 2 hours of Saturday School will reset 3 unexcused tardies to excused for the purposes of attendance (but not for purposes of Senior Exam Exemptions).

Tardies will be monitored directly via a log given to the Dean of Students at the conclusion of each academic day.

3. Absences – Parent and Student Responsibilities

- a. Students are responsible for informing teachers and for securing assignments prior to planned absences. Parents should limit such absences.
- b. A note stating the reason for the student absence should be presented to the Academy Office before school begins on the first day of the student’s return to school. If a note is not submitted, the absence is considered unexcused.
- c. Teachers will provide students an opportunity to make up assignments which were missed during an absence. Such make-up must be done promptly, and the initiative for attaining and completing make-up work rests with the student.
 1. Work must be made up within 2 days upon returning to school.
 2. If the work is not made up within two days, a “zero” grade will be recorded.
 3. Long-term excused absences may be an exception to this 2 day policy.
 4. If a student is present the day an assignment is given, the homework assigned that day must be handed in the day the student returns.
- d. When parents are aware of special problems concerning their student, which are of a continuing nature and are related to patterns of absence, the parents must apprise the Academy of the nature of the problem in order for school administration to arrange for alternative educational experiences which will ensure that course requirements are met.
- e. If it is absolutely necessary to schedule medical or dental appointments during school hours, these appointments should be in the afternoon.
 1. A student must bring a parent note to their teacher (Lower School) or to the Academy Office (Upper School) at the beginning of the day.

2. All students who leave the school during the school day must check out in the Academy Office.
- f. The Academy recognizes that some family-related events may impact school attendance. Please contact the Academy Office when such special circumstances occur.
- g. If a student is absent for part of or an entire school day and a test(s) is given, the student is responsible to take the test(s) on the day of his/her return. Any homework due must be given to the teacher on the first day back to school. A grade of zero will be recorded when this is not done.
- h. Long-term homework assignments (those given 5 or more days prior to the due date) must be turned in on the due date regardless of whether the student is in attendance. Unless the student is excused by administration, a failing grade will be given for long-term assignments not turned in at the Academy Office on or before the due date.

4. *Illness*

- a. For the welfare of your child and others in the Academy, all children who are sick must not come to school.
- b. Children must be free of fever and/or diarrhea for 24 hours before returning to school.
- c. In order to have office personnel distribute medications, a medication authorization form must be filled out and signed by a physician and a parent.
- d. Teachers or staff (other than the school nurse or approved office staff) will not administer medication.

5. *Extended Absence*

a. Placement into Extended Absence Policy

Students with chronic illnesses or conditions, including situations such as surgery, concussion, or prolonged illness, that result in a student missing 10 or more cumulative school days of academic work may be considered for Extended Absence accommodations through a collaborative agreement between the student's Physician (or other licensed Healthcare Provider) and Administration. This agreement will be completed in writing and signed by Administration, the student, and the parent(s). If Learning Support is needed, then Learning Support will also be involved in developing and signing off on the agreement. Extended Absence accommodations are limited to 20 cumulative days beyond the initial 10 cumulative days already missed.

Teachers cannot authorize academic accommodations for illness or injury; only the Dean of Academics or Head of School can authorize these accommodations. Regular or sustained absences place an undue burden on teachers to help an individual student get caught up when the balance of the class has already progressed to another level.

Administration must be provided with documentation from the Physician (or other licensed Healthcare Provider) including diagnosis and prescribed medical protocol/interventions. Chronic illnesses and/or conditions may include physical, mental and/or emotional issues as diagnosed by a licensed Physician (or other licensed Healthcare Provider).

Extended Absence accommodations will be considered **ONLY** if prescribed by a Physician (or other licensed Healthcare Provider). Accommodations prescribed by the Physician (or

other licensed Healthcare Provider) must be specific for each student, with a specified time frame noted (Extended Absence will only be provided for up to 20 cumulative school days of missed academic work beyond the initial 10 cumulative missed school days). The Administration requires appropriate written verification of the nature of such absence. Extended Absence and its accommodations are not guaranteed even with a prescription from a Physician (or other licensed Healthcare Provider). Administration reserves the final authority on determination as to whether or not a student is placed on Extended Absence.

Students with medical conditions that require Extended Absence accommodations must work closely with their Teachers, Guidance Counselor, and Administration. Even with strong communication and cooperation between all parties, some situations are extended for such a length of time or require such modifications that a leave of absence or disenrollment is the only possible course of action. For this reason, Extended Absence accommodations will only be given for up to 20 cumulative school days of missed academic work.

At the conclusion of those 20 days, students with Extended Absences who remain unable to complete all of their academic work must take a Leave of Absence and will not receive credit for the period of time in which they are not in school and not completing assignments.

No academic credit will be given for the time a student is on a Leave of Absence, or for any time that they are on extended absence and do not complete their work in a timely manner (as described below under Handling of Academic Work for Students On the Extended Absence Policy).

Similarly, students who remain absent from school beyond the initial 10 cumulative school days of missed academic work and who are not considered eligible for Extended Absence, must either take a Leave of Absence until such time as they can fully return to school or they must withdraw from school. The Academy does not provide for a Home Bound Program.

The school is not responsible for the provision of education services while a student is under approved Extended Absence accommodation; this responsibility belongs to the parent(s). However, teachers and administration will work to create a plan to help the parents provide a level of continued education during the Extended Absence. The Teacher and Administration will agree upon a level of support and resources for the student during this time, including assignments and in-class documents. The execution of the plan will be the responsibility of the parent during this period of absence.

b. Finances

Financial obligations to the school will remain in place during an Extended Absence or Leave of Absence.

c. Handling of Academic Work for Students On the Extended Absence Policy

During the time a student is absent from school on Extended Absence, it is always the student's and parents' responsibility to weekly turn in assignments. All assignments are to be turned in during the week they are due. All Tests and Quiz assessments are to be completed within the same week the class assessments are given (see Tests and Quizzes below). Administration may grant exceptions to this time requirement for a student whose Physician (or other licensed Healthcare Provider) states that they are incapable of complying with the requirement due to some form of mental, emotional, psychological, or neurological impairment.

Assignments are expected to be turned in each Friday for the preceding week, and any new handouts or papers for the upcoming week picked up at the same time. All assignments are listed on Sycamore, and it is the student's responsibility to access Sycamore and know his/her assignments. Assignments that are not turned in according to these guidelines will be considered late and fall under the existing late policy outlined in the class syllabus. It is not the Teacher's or Administration's responsibility to ensure that the student has picked up his/her assignments or that the student has turned them in.

Questions regarding assignments should be addressed directly to the Teacher via email only and in such a time frame that the student still has sufficient time to complete the assignment. All requests for assistance or clarification must be made more than 24 hours prior to the due date for any and all assignments. Late requests made less than 24 hours prior to the due date may not be honored. Any meetings between the Teacher and the Parent must include Administration and be scheduled in advance through Administration.

Please Note: Assignments missed during the initial 10 cumulative school days of missed academic work prior to being placed on Extended Absence must be completed and submitted to the teacher during the first 10 days of approved Extended Absence. Any assignments not completed by that time will receive a grade of zero.

d. Grades

Once the student is approved to be on Extended Absence, grades will be given for Assignments as they are turned in each week, no later than Friday of each week. Assignments not turned in by Friday each week will be considered Late, and treated the same as any other Late Assignment for each class. Tests and Quizzes that are not taken during the same week as their class will receive a zero, and may not be made up.

e. Tests and Quizzes

Tests and Quizzes will be completed by the student during the same week as their class once a student is on Extended Absence.

All Tests and Quizzes will be completed at the school with the oversight of a Teacher, Administration, or other designated Proctor at the school unless written instruction is provided by the student's Physician (or other licensed Healthcare Provider) stating that the student is incapable of coming on campus. In those cases, Administration will work with

the Physician (or other licensed Healthcare Provider) and family on a case-by-case basis to determine if an appropriate solution can be reached.

f. Return to School

Students returning to school following an Extended Absence should not be behind in their work or understanding of the material if they have complied with this Policy.

Students who do not comply with the Policy or who have been on a Leave of Absence may return to school at the beginning of the next Quarter. They will not receive credit for the Quarter in which they did not complete all of their work.

Students on approved Extended Absence who only complete partial work will receive the grade they have earned based on the work that they have completed. This does not apply to students who have taken a Leave of Absence.

Students who are unable to fully return to school once the Extended Absence period has expired must withdraw from school.

6. Leaving School Building/Property

Students must sign out through the Academy Office and obtain a pass to leave the Academy building at all times including lunch.

H. DISCIPLINE/STUDENT CONDUCT

UFCA has as one of its goals the proper character development of young people. These standards of conduct are also necessary for the safe, smooth operation of the Academy. Parents agree as a condition of enrollment to uphold and support the Academy and its policies at all times.

United Faith Christian Academy reserves the right to dismiss any student who persistently and willfully fails to uphold our Five Spiritual Principles and our Code of Conduct. Listed below are five Scriptural principles which the Academy has identified as having direct application in the daily lives of students. Below the supporting verses is a list of infractions which by nature would be a violation of that Scriptural principle.

a. Biblical Principle #1: Live to Christ

Examples of supporting verses: Col. 3:5-10, 1 Thess. 4:3, 1 Cor. 6:19

Ways this principle would be violated:

- Sexual promiscuity/immoral behavior
- Stealing/cheating/lying/plagiarism
- Impure/unedifying speech
- Use/possession of alcohol, tobacco, and other illegal drugs
- Misconduct in or out of school

b. Biblical Principle #2: Be Gentle and Kind to Others

Examples of supporting verses: Gal. 5:22-23, Eph. 4:31-32, Phil. 4:5

Ways this principle would be violated:

- Damaging another's property including school property
- Improper behavior toward other students, including via social media

Instigating a fight, verbally or physically
Bullying other students (including cyber bullying)
Insulting others

c. *Biblical Principle #3: Submit to Authority*

Examples of supporting verses: 1 Pet. 5:5, 1 Thess. 5:12-13, Rom. 13:7, Jude 1:8

Ways this principle would be violated:

Arguing with a teacher/showing contempt for his/her authority
Disrespect to a teacher by causing a distraction in class
Direct disobedience
Disrespect to faculty/staff (including body language/tone/expression)
Failure to obey specific classroom guidelines (according to teacher expectations)
Unauthorized (i.e. without school permission) absence from a detention

d. *Biblical Principle #4: Strive for Excellence*

Examples of supporting verses: Col. 3:23-24, Gal. 6:7, Prov. 22:29

Ways this principle would be violated:

Being unprepared for class (without paper, pencil, books, homework)
Skipping class/school
Unexcused tardy
Unexcused absence
Consistent failure to participate in class discussions
Consistent failure to turn in required assignments

e. *Biblical Principle #5: Obey Policies Made for the Good of the Academy*

Examples of supporting verses: Rom. 13:1-2, 1 Pet. 2:13-14

Ways this principle would be violated:

Dress code infractions
Food and drink in undesignated places
Littering the buildings and grounds
Negligent driving (speed/vehicle control)
Displays of physical affection

6. *Bullying*

UFCA upholds the belief as Christians that we should treat each other with love and respect. As such any student or parent who participates in bullying (verbal, social, physical, cyber, or other) will immediately be notified that such behavior is in violation of our mission and purpose. Such behavior will be investigated and appropriate action will be taken.

7. *Disciplinary Action*

When misbehavior or other infraction of school/classroom standards occurs, a teacher may verbally correct the problem, conference with the student and/or parents, assign an after school work detail (ASD), or send the student to the Academy Office (Dean of Students) for further disciplinary action.

The action steps are as follows:

1. Warning
2. Parent Call & After School Detention
3. ISS (1-day)

4. ISS (3-day)
5. OSS (1-day)
6. OSS (3-day)
7. Expulsion

****Based on the severity of the action, Administration reserves the right to initiate discipline at any level.****

8. *Suspension*

Students on suspension are prohibited from attending after-hours school activities unless the activity is primarily of a spiritual nature, in which case administration may grant permission.

9. *Plagiarism and Cheating*

- a. **Plagiarism:** Everyone who submits class work in the Academy must be the author of that class work. When a student uses facts or ideas originating from others, they must make clear what is theirs and what is not. Anyone who knowingly offers as their own what is in fact someone else's work participates in a form of cheating and if caught, the work submitted will receive a grade of zero and suspension or expulsion will be implemented.
- b. **Cheating:** Cheating is any attempt to deceive a teacher concerning the extent of one's work or knowledge so as to cause the teacher to grant a higher grade than deserved. Therefore, cheating is a type of lie and demonstrates both a lack of respect to the one in authority as well as a lack of respect to another person. Cheating in any form is a major violation of school ethics and morality.

Actions Defined As Cheating

1. Any action that causes a teacher to believe that a student is cheating, then the student will be considered to have cheated.
2. Any use of a cell phone or other electronic device for any reason, or if a teacher sees a cell phone or other electronic device, during a test, the student will be considered to have cheated and both cheating and improper use of electronic device policies will be considered to have been violated.

Disciplinary Action for Cheating includes, but is not limited to:

1. A first offense will result in a zero for that assignment/test and parents will be notified.
2. A second offense will result in a suspension.
3. A third offense will result in an expulsion.

10. *Student Dismissal from UFCA*

Students are encouraged to use a lock on their lockers. Failure to use a lock means the student is accepting responsibility for any missing items. The Academy is not responsible for lost, stolen, or damaged goods stored in lockers. The outside of student lockers must be kept clean and neat. Neither stickers nor writing are to be placed on the inside or the outside of lockers. Students are responsible for damages to lockers during the school year and for their cleaning at the end of the school year. We ask for your full support in order to provide a safe environment for students who suffer these life-threatening allergies. United Faith cannot guarantee a nut-free environment, but it is our top priority to keep our students safe. This policy is intended to provide a reasonable assurance of safety for students allergic to nuts.

Students

- a. Peanuts and nut products will be totally prohibited from any self-contained classroom of an allergic student. Students in classrooms with a student who has a nut allergy will receive additional information and instructions on nut allergies.
- b. All students are asked to voluntarily refrain from bringing anything containing peanuts or tree nuts in their lunch box or as a snack.
- c. Our food service is not run by the Academy but is an independent vendor. They will be asked to eliminate nuts from their menu and lunch line offerings. Because of the prevalence of nut contact in food processing and the prevalence of nut products in processed food, they cannot guarantee a totally nut-free food service.
- d. A peanut/tree nut zone is established in the cafeteria. In the event that a student brings a peanut/tree nut product to the cafeteria for lunch, he/she will be asked to sit in the peanut/tree nut zone. This area will receive additional scrutiny in the cleaning of the cafeteria.
- e. We will place clear and visible signs outside classrooms with students who are allergic to nuts that prohibit nuts in that classroom.
- f. We will place additional signs as a reminder to avoid bringing nuts or nut-products to school.

Parents

Investing tuition money in a child's Christian education is important, but it is only a beginning. Investing a family's time is the ingredient that will make the difference in a child's school experience. PTF exists to help facilitate communication, volunteer assistance, and fundraisers. The PTF can be reached via email at ptf@ufca.org.

Students are not allowed to go to their cars during school hours without permission from the Academy Office.

The campus speed limit is 5 mph.

Parking privileges may be revoked for disciplinary or academic reasons at the discretion of the Administration.

28. Student Driver Eligibility Form – North Carolina

Parking Permits are required for all student drivers. Student parking spaces are assigned in designated lots. A permit may be obtained from the Academy Office. Parking privileges may be revoked for disciplinary or academic reasons at the discretion of the Administration.

30. Student Government Organization (SGO)

Student Government at UFCA is a privilege and not a right. It is our belief that a student leader must earn and maintain this privilege in order for him/her to participate in SGO. The academic eligibility policy is intended to serve as a motivation for student leaders to earn the very best grades they are capable of rather than serving as a punishment for poor grades. A student leader's eligibility shall be based on his/her most recent report card, progress report (or communication report for reinstatement only).

- a. High School :If the student leader has a grade point average below 2.3 or has two "D's" or one "F" at the time of progress report/ reports card distribution, then he/she will be placed on a two-week academic probation. Spring reporting affects fall eligibility. If, at the conclusion of the two-week period, the student leader still holds two "D's" or one "F," he/she will then become ineligible to continue participating in SGO.
- b. Middle School:Student leaders must maintain a 66 numeric grade or higher at the time of progress report/ reports card distribution in order to be eligible to participate in student government. Student Leaders who fall academically ineligible will be suspended from the activity for a two week period. Spring reporting affects fall eligibility. If, at the conclusion of the two-week period, the student leader still has a grade point average below a 66, he/she will then become ineligible to continue participating in SGO.
- c. At any time the SGO Adviser or Administration may, at their discretion, deem it necessary to remove a leader from a SGO for academic, behavioral, or any other concerns.

31. Threats of Violence

United Faith Christian Academy has a no tolerance policy involving threats or perceived threats of violence by students. Parents should understand that the Academy's first responsibility is the protection of all its students. The Academy takes this responsibility very seriously. Therefore, if a student brings a weapon to school, to an Academy function, or has a weapon on his/her person, the Academy will immediately expel the student. Parents are advised that the Academy will contact the local police or appropriate authorities and will note in the student's permanent record that he/she was expelled for possession of a weapon on school premises or at a school function. Possession includes, but is not necessarily limited to, having a weapon in a locker, book bag, purse, or vehicle. Academy may define what constitutes a weapon. Toy weapons are not permitted. The Administration should be notified immediately of any toy weapon brought on campus.

If the Academy determines that a threat of violence is credible and specific directed toward particular students or staff, the Head of School or designee will report the threat to the student and/or staff member threatened and appropriate authorities. Students making such threats will be expelled. For purposes of this policy, credible means a reasonable belief or suspicion, determined at the sole discretion of Academy administration, that the threat was or might be genuine, or that the student was or might be capable of carrying out the threat. The student's permanent record will reflect expulsion for making a threat of violence.

In those circumstances in which the Academy determines that the threat is not likely credible, the Academy may suspend the student pending a parent meeting. These include all cases in which the student was "just joking." If circumstances warrant, the Academy may conduct further investigation and may require students in this circumstance to obtain counseling, at family expense, from a Christian counselor or other professional agreeable to the Academy. Students may or may not be permitted to continue enrollment at the Head of School's discretion.

32. Visitors on Campus

Parents are welcome on our campus during lunch or for specifically designated classroom/school activities. All Academy visitors, including parents, must check in and out of the Academy Office upon arrival and must wear a visitor tag while on campus. Visitors may not go directly to the classroom, sanctuary, or cafeteria, etc. before having first checked in and obtaining a pass. **Please note that classes and teachers may not be visited during instructional time.**

All visitors are encouraged to dress in business casual or modest casual while on campus during the school day. The purpose of this request is to model appropriate attire for our students and to encourage an atmosphere of professionalism.

Students and faculty are only allowed visits by immediate family members or their pastor(s). These visits must take place during the lunch period in the cafeteria only, and visitors must check in at the Academy Office to obtain a visitor's badge. Additionally, former UFCA students who may or may not have graduated from UFCA may visit the campus for lunch if the following criteria are met:

1. Must be part of an existing UFCA family
2. One parent must accompany the student visitor (if under 18 years of age)
3. The visitor must obtain a visitor's badge and may visit the lunchroom only (no classrooms, playground, recess, etc.)
4. Must check out through the Academy Office immediately following lunch.

NOTE: All visitors are registered in the Academy Office with photo taken and are provided with a photo badge to wear while visiting on campus.

UFCA Alumni are encouraged to visit and have lunch during scheduled lunch times. Alumni should stop by the Academy Office to sign in and obtain a visitor's badge. Please note that classes and teachers may not be visited during instructional time.

Any person violating the Visitor Badge policy may be asked to identify himself/herself and explain why he/she is on campus. If that person cannot give an acceptable reason for being on

campus, he/she will be asked to leave. If he/she does not comply, authorities will be contacted. Any person on school property who uses abusive or obscene language or behavior will also be asked to leave immediately.

33. *Volunteers*

Volunteers are an important part of United Faith Christian Academy. All non-parent volunteers must be at least 21 years of age. Parents and grandparents can make a difference by volunteering their time both on and off campus. Many opportunities exist through our PTF, Booster Club, and through individual classrooms. Those who are interested should contact the Administration. All volunteers are asked to register at the Academy Office and obtain a Visitor/Volunteer badge to be worn while on campus. All volunteers are encouraged to dress in business casual or modest casual while on campus during the school day. The purpose of this request is to model for our students appropriate attire and to encourage an atmosphere of professionalism. Faculty members must complete the volunteer request form for all frequent volunteers. This includes a background check.

No volunteer will be approved for any UFCA activity that requires an overnight stay (class trip, retreat, missions trip, etc.) until a criminal/child abuse clearance check is on file and approved.
