The left side of the page should have the following:	On the right side of the page, you need to do the following:
<ul style="list-style-type: none"> • A quote that interested you, caught your attention or captured a main idea of the novel, or made you think. (Keep in mind this can either be a passage from the book or character dialogue.) • After the quote, you should identify the speaker (either the narrator or the name of a character). • You must include parenthetical page citations for your quotes. 	<ul style="list-style-type: none"> • Briefly give the context of the quote and answer TWO of the following questions for EACH QUOTE: <ol style="list-style-type: none"> 1. Why did you select this quote? 2. How does the quote advance the meaning of the book? 3. How does the quote influence your understanding of a character? 4. What does this passage/idea make you think of or remember? 5. Do you want to challenge or qualify the author's claim? In what ways do you agree with it? Disagree? 6. Does something confuse you or lead to further questions? • Your explanation should be at least 2-3 sentences for each quote.
How you will be graded:	
1. The quality of the quotes you pick. Select quotes that you feel are important to the novel or really	

mean something to you. If you select randomly, you may not be able to give a meaningful response.

2. The thoughtfulness of your opinions and explanations. Your teacher will be looking to see that you really tried to make connections between your quote and the rest of the novel and/or yourself. (Do NOT just give a summary of the quote.) Instead, show your teacher how this moment in the book made you think and/or how it connected to you. If we see that you really tried to share your thoughts, you will do well.
