Call 704-541-1742, ext. 203 or email admissions@ufca.org. UFCA is founded upon the Word of God and belief in the Lord Jesus Christ as our Savior, maintains traditional values and seeks to enable students to become effective and Christ-like role models in today's world.

Before and After School Care

The Falcon's Nest (Grades TK-5th) After School Enrichment Program is designated to meet the needs of working families with children enrolled at UFCA. We seek to offer a nurturing, Christ-centered, after school alternative for our students.

The site is conveniently located on our campus. The program compliments rather than duplicates the school day by giving students the opportunity to relax and unwind while playing sports and games, socializing and using time to work on homework assignments with assistance from after school staff. Also an After School Study Hall for students (Grades 6-12) is available at a modest cost for families. It is on campus and allows Upper School students a quiet, supervised alternative. For more information regarding the Falcon's Nest and After School Study Hall contact admissions@ufca.org
